

Call Lake Provincial Park - Snowmobile Access Letter of Authorization

Valid from November 15, 2024, to March 31, 2025.

This letter is issued by BC Parks to provide snowmobile access within Call Lake Provincial Park, during the above-mentioned period of time.

The letter must be signed and returned to BC Parks (see instructions below) before entering the park on a snowmobile. A signed copy of the letter (paper or digital) must be carried by snowmobilers inside the park and, if requested, must be presented to BC Park Rangers.

The following conditions apply:

- Snowmobile use is only allowed for the purpose of accessing ice fishing locations on Call Lake.
- Snowmobile use is restricted to either of the two established access trails to Call Lake (via Mountainview or Van Gaalen Trailheads), or on Call Lake itself. Snowmobile use on the marshy area at the north end of the lake is prohibited.
- Except where entering and exiting the lake on one of the two access trails, stay off the outer 20m of the lake to leave room for skiers and snowshoers.
- Limit speed on all trails and on the lake to 15 km/h.
- Yield to other users.
- Only operate a snowmobile if there is enough snow to protect the ground from damage caused by the snowmobile track.
- Bring all firewood from outside the park and remove any unburned wood from the lake when done. Collecting firewood from the surrounding forest is prohibited.

Failure to comply with the above conditions may result in a violation ticket and eviction from the park.

I understand and agree to comply with the above conditions.
