

## SPECIES LIST OF PLANTS OF DEWDNEY ISLAND

compiled from notes by H. Roemer July 1984

Collecting notes by R. Ogilvie July 1974

N.B.: Specimens marked as follows: \*collected by Ogilvie  
!noted by Roemer

\*!both collected by Ogilvie and noted by Roemer

Lists alphabetically arranged by family, genus and species

Ferns and Allies

- !Adiantum pedatum —  
!Athyrum filix-femina  
!Blechnum spicant  
\*Cryptogramma crispa  
\*!Dryopteris expansa  
\*!Equisetum arvense  
\*!Huperzia selago —  
!Lycopodium annotinum  
\*!Lycopodium clavatum  
\*!Lycopodium inundatum  
\*!Lycopodium obscurum  
\*!Polypodium glycyrrhiza  
\*!Polystichum munitum  
!Pteridium aquilinum  
\*Selaginella selaginoides  
\*!Thelypteris phegopteris

Gymnosperms

- !Chamaecyparis nootkatensis  
\*!Juniperus communis  
!Picea sitchensis  
!Pinus contorta  
!Taxus brevifolia  
!Tsuga heterophylla

Apiaceae

- !Angelica lucida  
!Conioselinum pacificum  
R3 \*!Ligusticum calderi  
    *Calder's lovage*  
    = endemic to B.C.

Apiaceae cont.

- \*!Ligusticum scoticum —  
\*Oenanthe sarmentosa  
\*Osmorhiza sp.

Araceae

- !Lysichitum americanum

Araliaceae

- !Oplopanax horridum

Betulaceae

- \*!Alnus sinuata

Asteraceae

- \*!Achillea millefolium var. borealis  
\*!Aparigidium boreale  
\*Arnica cordifolia  
!Arnica latifolia  
\*Aster foliaceus  
\*!Aster subspicatus  
\*!Prenanthes alata  
R2 \*! Senecio moresbiensis *q.e. ragwort*  
\*Senecio pauperculus  
\*!Solidago multiradiata

Brassicaceae

- \*Cakile edentula  
\*Cardamine sp.  
R4 \*!Cochlearia officinalis ssp. oblongifolia  
    *comm. scurvy-grass*

## SPECIES LIST cont.

Campanulaceae

R4 \*!Campanula alaskana  
Alaska Kosoboff

Caprifoliaceae

\*!Linnaea borealis ssp. longiflora

\*!Lonicera involucrata

!Sambucus racemosa

Caryophyllaceae

\*Arenaria sp.

\*Honckenya peploides ssp. peploides

\*Sagina

\*!Spergularia

\*Stellaria

\*!Stellaria humifusa

Chenopodiaceae

\*Atriplex patula

\*!Salicornia sp.

Cornaceae

\*!Cornus unalaschkensis

Cyperaceae

\*Carex angustior

\*!Carex anthoxantha

R2 \*!Carex gmelinii  
Gmelin's sedge

\*!Carex laeviculmis

\*!Carex livida

!Carex lyngbyei

\*!Carex mertensii

!Carex obnupta

\*!Carex pauciflora

!Carex paupercula

\*!Carex phyllomanica

\* Carex physocarpa

\*!Carex sitchensis

Cyperaceae cont.

\*!Carex stylosa

\*!Carex viridula

\* Eleocharis palustris

R2 \* Eleocharis quinquaeflora

!Eriophorum angustifolium  
few-flowered spike - with

\*Eriophorum chamissonis

!Rhynchospora alba

!Scirpus caespitosus

!Scirpus subterminalis

\*!Scirpus validus

Droseraceae

!Drosera anglica

!Drosera rotundifolia

Empetraceae

!Empetrum nigrum

Ericaceae

\*!Andromeda polifolia

!Gaultheria shallon

!Kalmia microphylla

!Ledum groenlandicum

\*!Loiseleuria procumbens

!Menziesia ferruginea

\*!Moneses uniflora

\*!Vaccinium caespitosum

\*!Vaccinium membranaceum

!Vaccinium ovalifolium

!Vaccinium parvifolium

!Vaccinium uliginosum

\*!Vaccinium vitis-idaea ssp. minus

Gentianaceae

\*!Gentiana douglasiana

\*!Gentiana sceptrum

## SPECIES LIST cont.

Iridaceae

\*!Sisyrinchium angustifolium

Juncaceae

\*!Juncus balticus

R3 !Juncus covillei (Coville)<sup>?</sup> *rust*

\*Juncus ensifolius

\*Juncus falcatus

\*!Juncus oreganus

\*Juncus stygius

\*Luzula multiflora ssp. congesta

!Luzula parviflora

Juncaginaceae

!Triglochin maritimum

\*Triglochin palustre

Leguminosae

R3 !Lathyrus palustris

\*!Lupinus *mont. pacific* nootkatensis

\*!Vicia gigantea

Lentibulariaceae

!Pinguicula vulgaris

\* Utricularia intermedia

\* Utricularia minor

\* Utricularia vulgaris

Liliaceae

\*!Fritillaria camschatcensis

!Maianthemum dilatatum

!Streptopus amplexifolius

\*!Streptopus roseus

!Streptopus streptopoides

!Tofieldia glutinosa

!Veratrum eschscholtzii

Menyanthaceae

!Menyanthes trifoliata

!Fauria crista-galli

Myricaceae

\*!Myrica gale

Nymphaeaceae

!Nuphar polysepalum

Orchidaceae

!Corallorhiza mertensiana

\*!Goodyera oblongifolia

R4 \*!Habenaria *pleistocen.* chorisiana *Chamisso's Fern occident*

\*!Habenaria orbiculata

!Habenaria saccata

\*!Listera caurina

\*!Listera cordata

R2 \*!Malaxis *Hammachya* paludosa *Boz add's - mouth weed*PlantaginaceaeR3 \*!Plantago macrocarpa *St. Peter's plantain*

!Plantago maritima

Poaceae

\*!Agrostis aequivalvis

\* Bromus sp.

!Calamagrostis canadensis

\*!Calamagrostis nutkaensis

\* Danthonia intermedia

\* Danthonia spicata

!Deschampsia caespitosa

\*!Elymus mollis

\*!Festuca littoralis

!Hordeum brachyantherum

\*!Panicum occidentale

!Puccinellia pauciflora

\*!Puccinellia sp.

SPECIES LIST cont.Polygonaceae

- \* Polygonum
- \* Rumex

Portulacaceae

- \* Montia sibirica

Potamogetonaceae

- \*!Potamogeton gramineus
- \*!Potamogeton natans

Primulaceae

- \*!Dodecatheon jeffreyi
- !Dodecatheon pauciflorum
- !Glaux maritima
- \*!Trientalis arctica

Ranunculaceae

- !Aquilegia formosa
- \*!Coptis asplenifolia
- !Coptis trifolia
- \* Ranunculus uncinatus

Rosaceae

- !Fragaria chiloensis
- R4 \*!Geum calthifolium *caltha-leaved* *ovens*
- !Potentilla pacifica
- !Potentilla villosa
- \*!Pyrus fusca
- \*!Rosa nutkana
- \*!Rubus parviflorus
- !Rubus pedatus
- !Rubus spectabilis
- \*!Sanguisorba officinalis
- \*!Spiraea douglasii

Rubiaceae

- !Galium aparine
- !Galium trifidum

Ruppiaceae

- \*!Ruppia maritima

Salicaceae

- \* Salix ?scouleriana

Saxifragaceae

- \*!Ribes bracteosum
- \* Ribes laxiflorum
- \*!Saxifraga ferruginea
- ! Tiarella trifoliata

Scrophulariaceae

- !Castilleja hispida
- \*!Castilleja miniata

Sparganiaceae

- \*!Sparganium minimum

Violaceae

- \*!Viola palustris

Mosses Noted by H. Roemer July 1984

Campylopus atrovirens	Sphagnum fuscum
Dicranum fuscescens	Sphagnum girgensohnii
Dicranum majus	Sphagnum imbricatum
Dicranum polysetum	Sphagnum papillosum
Dicranum scoparium	Sphagnum cf. plumulosum
Dicranum tauricum	Sphagnum recurvum
Fontinalis sp.	Sphagnum rubellum
Hookeria sp.	Sphagnum subsecundum
Hylacomium splendens	Sphagnum teres
Hypnum circinale	Sphagnum warnstorffianum
Hypnum cf. dieckii	Stokesiella oregana
Isoetecium stoloniferum	
Leucolepis menziesii	
Mnium glabrescens	
Plagiothecium undulatum	
Pleurozium schreberi	
Pogonatum macounii	
Polytrichum strictum	
Rhacomitrium lanuginosum	
Rhytidiadelphus loreus	

Hepatics Noted by H. Roemer July 1984

Bazzania sp.  
Calypogaeia muelleriana  
Cephalozia spp.  
Chiloscyphus sp.  
Diplophyllum albicans  
Gymnocolia inflata  
Herberta sakurai  
Lepidozia reptans  
Lophozia incisa  
Macrodiptyllum sp.  
Pellia neesiana  
Plagiochila asplenioides  
Pleurozia purpurea  
Scapania bolanderi

Lichens Noted by H. Roemer July 1984

Cladonia maxima

Cladonia mitis

Cladonia pseudo-stellata

Cladonia pyxidata

Cladonia rangiferina

Cladonia sylvatica

Cladonia uncinata

Lobaria oregana

Peltigera cf. canina

Siphula ceratites
