

## South Fraser Trail Conditions Report - Updated: November 9, 2022

### General Information

- The backcountry of our Provincial Parks is **user maintained**.
- Garbage removal service is not available. Please help by packing out all your garbage as well as any garbage left behind by others.
- Bear proof containers are for overnight users to store of food and scented items only, they are not for use as garbage receptacles. Always bring bear hang equipment in case storage receptacles are full or damaged.
- Please use the pit toilets provided.
- Please stay on trails to prevent trail braiding and impacts to the environment.
- **Fires in the backcountry of BC Parks are prohibited.**
- Unless noted otherwise, the use of ATVs are prohibited in Provincial Parks.
- Bring extra layers, pack the essentials, and leave a trip plan. Learn more at <https://www.adventuresmart.ca/tripplanning/planning.htm>
- **Drone use is not permitted** without a permit - <https://bcparks.ca/visiting/parks-and-drones>
- **Always remember to have pets on a leash for their safety and the safety of others**

### COVID-19 Trail Etiquette

### Trail Difficulty Definitions

The ratings are determined based on the length of the trail section, change in elevation and trail type for the average Park Visitor, distances and time are only estimates.

#### Trail Type Rating:

<b>Type I</b>	1.5 to 2.5 m wide	Paved, crushed gravel or board walk, less than 10% grade
<b>Type II</b>	1.5 m wide	Gravel surfacing in wet areas, up to 15% grade
<b>Type III</b>	0.5 m wide	Grade greater than 15%
<b>Type IV</b>	up to 0.3 m wide	Lightly used wilderness trail, tread as worn not grubbed out, infrequent maintenance

#### Trail Difficulty Rating:

E	Easy
M	Moderate
S	Strenuous

## Cultus Lake Provincial Park Trails

TRAILS	Estimated Distance One-way (Km)	Estimated Time one-way (Hours)	Estimated Elevation Gained (meters)	Trail Type	Rate	Trail Condition	Comments/Trail Safety Information	REGULATIONS* <small>*Click here for all regulations</small>
<a href="#">Teapot Hill</a>	2.42km	60 min	250m	III	M	OPEN		  
<a href="#">Seven Sisters</a>	1.66km	60 min	120m	III	E	OPEN		  
<a href="#">Horse Trail/Road 918</a>	10km	2 hrs	280m	I	E	OPEN	Wind-felled trees may be across the trail. Watch for Landslide area signs. Avoid stopping on trail within "No Stopping" area. Landslide Area <b>Hazardous</b> during periods of heavy rain or during the winter months.	    
<a href="#">Giant Douglas Fir</a>	0.60km	20 min	76m	III	M	OPEN	Trail connects with Clear Creek campground. Stay to the right to see the Giant Douglas fir	  
<a href="#">Maple Bay</a>	1.20km	30 min	35m	II	E	OPEN	Trail begins near day use area parking lot. Trail crosses the road and takes you to Columbia Valley Highway. Cross the bridge and the trail resumes taking you to the Maple Bay boat launch.

## Chilliwack Lake Provincial Park Trails

TRAILS	Estimated Distance One-way (Km)	Estimated Time one-way (Hours)	Estimated Elevation Gained (meters)	Trail Type	Rate	Trail Condition	Comments/Trail Safety Information	REGULATIONS* <a href="#">*Click here for all regulations</a>
<a href="#">Lindeman Lake</a>	1.68km	1.0 hr	300m	III	M	<b>OPEN</b>	<p>Wind-felled tress may be across the trail. There are tent pads and a urine diversion toilet at the south end of the lake. The provided bear hang has malfunctioned and it is recommended that visitors bring their own bear hang equipment.</p> <p>Please stick to main trail to avoid further braiding in sensitive habitat.</p> <p><b>Caution: do not leave valuables in your vehicle.</b></p> <p><b><u><a href="#">Online payment required for backcountry camping.</a></u></b></p> <p>'Pack it in, Pack it out' principles apply.</p>	   
<a href="#">Greendrop Lake</a>	6.00km	3-4 hr	910m	III	M	<b>OPEN</b>	<p>Wind-felled tress may be across the trail. There are 4 tent pads, a bear proof food cache and a pit toilet, located at the lake.</p> <p><b>Greendrop Lake to Flora Lake</b> may be difficult to follow and is not recommended for those without considerable experience in route-finding. It crosses several large landslides requiring scrambling over/around large boulders. Due to recent flooding and high water the route-finding is difficult at the end of Lindeman Lake and along the creeks. Only travel if you are well prepared with proper footwear.</p> <p><b>Caution: do not leave valuables in your vehicle.</b></p> <p><b><u><a href="#">Online payment required for backcountry camping.</a></u></b></p> <p>'Pack it in, Pack it out' principles apply.</p>	   

<a href="#">Flora Lake</a>	7km	5-6 hr	1136m	III	S	<p style="text-align: center;"><b>OPEN</b></p>	<p>Limited water along trail until you arrive at the lake. Wind-felled tress may be across the trail. There are 2 tent pads, a bear cache and a pit toilet located at the lake.</p> <p><b>Flora Lake to Greendrop Lake</b> may be difficult to follow and is not recommended for those without considerable experience in route-finding. It crosses several large landslides requiring scrambling over/around large boulders and has downed trees. Only travel if you are well prepared with proper footwear.</p> <p><b>Caution: do not leave valuables in your vehicle.</b></p> <p><u><a href="#">Online payment required for backcountry camping.</a></u></p> <p>'Pack it in, Pack it out' principles apply.</p>	
<a href="#">Flora Lake Connector</a>	4 km	3–4 hr	440	IV	S	<p style="text-align: center;"><b>UNMAINTAINED</b></p>	<p>This route connects Greendrop Lake and Flora Lake and may be difficult to follow. It is not recommended for those without considerable experience in route-finding. This route crosses several large landslides requiring scrambling over/around large boulders and has downed trees. Only travel if you are well prepared with proper footwear.</p> <p><b>Caution: do not leave valuables in your vehicle.</b></p> <p><u><a href="#">Online payment required for backcountry camping.</a></u></p> <p>'Pack it in, Pack it out' principles apply.</p>	
<a href="#">Radium Lake</a>	8.0km	4-6hrs	910m	IV	S	<p style="text-align: center;"><b>OPEN</b></p>	<p>Wind-felled tress may be across the trail. 2 tent pads, a bear proof food cache and a pit toilet are available on the East side of the lake.</p> <p>Always be prepared for extreme high elevation weather. Avalanche risk may exist ensure you have proper winter travel knowledge.</p> <p>Only travel if you are well prepared with proper footwear.</p> <p><u><a href="#">Online payment required for backcountry camping.</a></u></p> <p>'Pack it in, Pack it out' principles apply.</p>
